

FORM OF JOBS FOR YOUTH ELIGIBILITY CONFIRMATION

The European Investment Bank supports access to finance for SMEs and MidCap enterprises in EU Member States. It has recently set up a “Jobs for Youth” initiative to support employment of young persons (at least 15 years old, but younger than 27 years).

USB BANK plc is part of this Facility, and the sub-financing granted upon the applicant’s request therefore bears an interest rate which is 150 bps p.a. lower than what USB BANK plc would charge without EIB support.

The applicant confirms with his signature under this Confirmation

- to have hired in the last 6 months and still employ at least 1 (5 for MidCap enterprises) young person or plans to hire at least one young person (at least 5 for MidCap enterprises) in the coming 6 months, calculated from the signature date of the sub-financing agreement signed with USB BANK plc, or
- that it offers vocational training to young persons, or internships/training programmes for young people and there is a recent track record of young people benefiting from these trainings, or
- that it has an active cooperation agreement with a technical college or school or university to employ young persons (e.g. during summer internships), and there is a recent track record of young people benefiting from these cooperation agreements.

The applicant should mark the respective criterion applying to it in the list above.

The applicant currently employs young people.

The applicant is aware that USB BANK plc may have to require an early repayment of the loan granted under this initiative in case of false statements or information, or the use of false documents, under their own personal responsibility, in certifying the trustworthiness of this statement.
