

## PRESS RELEASE

### **USB BANK supports PASYKAF sending a message of love, solidarity and hope to fight cancer**

For USB Bank, contributing to society and especially to people in need is considered an integral part of its Corporate Social Responsibility. To achieve its social objectives and establish a general culture for solidarity and positive contribution throughout the Bank, and on the occasion of Easter, USB Bank offered its entire staff, Easter Candles bought by the Cyprus Association of Cancer Patients and Friends.

Every year USB Bank contributes and takes part in the fundraising and awareness campaign of Cyprus Association of Cancer Patients and Friends. With these candles, it aims to financially reinforce PASYKAF and support its difficult and important work. At the same time, it sends a message of love, solidarity and hope for the fight against cancer. Hope for a better Life.
